

GIANT INFIELD M'GRAW'S BEST

Addition of Groh Gives the
Team a Terrific
Punch.

WILL PUT HIM
ON THIRD BASE

And Move Frisch Over to
Second Where He Wants
to Play.

New York, Dec. 9.—John McGraw, manager of the New York Giants, expressed the belief today that Heinie Groh, his \$100,000 infield acquisition, would make the team's infield the greatest he has ever managed.

"Groh will give the team a terrific punch," said the manager of the world's champions. "He is a hard, timely and smart hitter and he knows my system and will fit nicely into the machine."

"I will place him on third, of course, for Heinie has no superior anywhere as a third sacker. Frisch will be moved to second, where he belongs, and would rather play." He'll be the same shining light, too. With Kelly on first and Bancroft at short—well, wait and see.

"Rawlings (one of the Giant's heroes in the world's series) will be used as utility infielder and we will have a feeling of security with Johnny ready for duty at a moment's notice."

McGraw said there were no other big deals pending now. He was asked if he would consider Eddie Rouse as a man to fill George Burns' shoes.

"Cunningham, I think, will fit nicely at center field, but the Giants are ready to buy a player that will help them to win pennants," he declared.

WATERBURY

Community Welfare Club Hears Encouraging Reports.

Tuesday evening the Community Welfare club held its annual meeting at the Community house, a large number attending. Reports given were most encouraging and in this well-furnished house, where the children were also having a delightful time in their part, one had a reality of what the vision of the members had been. The reports of the secretary and treasurer were good, a large amount of money having been handled in the repairing and furnishing of the hall. There is a good balance in the treasury, but dues must be promptly paid to pay the bills for the upkeep of the place. All officers who would accept the positions were re-elected, the final list being: President, Eugene W. Magnus; vice-president, Mrs. W. H. B. Perry; secretary, Mrs. E. E. Campbell; treasurer, E. E. Joslyn; auditor, Max G. Ayers. All these present made speeches which showed their interest in and devotion to the work. The following directors were chosen for different periods of years: C. B. Adams, H. B. Atherton, Walter Aylward, H. L. Bingham, P. J. Grace, Dr. H. D. Hopkins, D. C. Jones, Mrs. C. C. Abbott, V. L. Perkins, Mrs. Ralph Putnam, J. T. Smith, A. H. Smith, Harris Metcalf, Mrs. William Seabury, Mrs. Wright, Supt. Willis, William Wood.

Mrs. B. R. Demeritt, who left Tuesday noon to be with her brother, Fred H. Perry, writes that his condition remains about the same, slightly improved over that of the first three days. Mr. Perry knows nothing of the accident and wonders how he came to be at the hospital. Although the family is hopeful, yet his condition is called serious. Mrs. Demeritt went at this time on advice of the nurse in charge of the case. It will be remembered that the injured man had a shock, which was the cause of his losing control of his car and crashing through the railroad gates and was struck by a train.

Mrs. Philip Shonio went yesterday to Burlington as one of the delegates from the county organization to the annual meeting of the Vermont Farm Bureau federation. These meetings are at Hotel Vermont, Washington county sends four delegates.

BELIEVED THAT IT WAS IMPOSSIBLE

After Suffering 12 Years,
Vermont Man's Stomach
Is Now As Sound As a
Dollar

"I never expected to be free from stomach trouble again, as I had suffered from it constantly for twelve years, but Tanlac has done what I thought was impossible, and my stomach is as sound as a dollar now," said B. M. Fuller, a well-known farmer of Mendon, Vt.

"My indigestion at times took the form of smothering spells and my heart would palpitate like it would jump out of my body. At other times I would have awful dizzy spells and black spots would come before my eyes. My kidneys bothered me a good deal, too."

"I improved from the first dose of Tanlac and I'm better in every way now than I have been in a long time. The fact is, I never remember being in better health and I intend to say a good word for Tanlac every chance I get."

Tanlac is sold in Barre by Barre Drug Co., in Groton by G. C. Smith, in Marshfield by E. W. Gilman, and in Plainfield by E. F. Leavitt.—Adv.

Bill Parson's Horse.

Bill Parson's of Mount Pleasant, Idaho, has a horse and he doesn't know whether to trade him, kill him or buy him an ear trumpet. The horse is a fine looking animal and he can travel—but—

The other day Archie Carson, the mail carrier on R. F. D. No. 1, passed Bill on his out trip and Bill's horse was standing stock still in the road. As Archie swung back to town again the horse passed. Bill and the horse was standing still in the road. As Archie drove home to dinner he passed Bill on the edge of the town and stopped.

"Is that horse sick, Bill?" asked Archie.

Not that I know of answered Bill. "I ain't noticed no symptoms."

Does he balk? continued Archie.

"No, he don't balk. But he's so darn afraid I'll say whoa and he don't hear me that he stops every once in a while to listen."—Bulletin of United States Treasury Savings Department.

MANLEY BRATTLEBORO CAPT.

End Chosen for High School Eleven Next Fall.

Brattleboro, Dec. 9.—Edmund Manley, 23, regular-end on the Brattleboro high school football team the last two years, was elected captain of the high school for 1922. Manley has been one of the steadiest performers on the high school squad this year, and in two games he has made long runs for scores after receiving passes. He is a good defensive man and a player who keeps in condition the year round. "Eddie" also is a regular on the track squad, and his work in the discus throw and the quarter mile will be worth watching next spring.

The 1922 team has the best prospects of any team in recent years, with this year's line practically intact, and Moran and Streeter back to hold down two of the four backfield berths.
